

(EVERYBODY GETS A)  
**SECOND CHANCE**

(Rutherford/Robertson) Hitrunner Länge: 3:07

**Everybody gets a second chance  
Circumstance to say I'm sorry  
I'd like to tell you in advance  
Take my chance and tell you I'm sorry**

**A single failure, a little slip  
A misdemeanour, a little trip  
Does this condemn me lock me away?  
Before you turn the key I have one more thing to say:  
To make amends, maybe be friends.**

**Everybody gets a second chance  
Circumstance to say I'm sorry  
I'd like to tell you in advance  
Take my chance and tell you  
I'm sorry too**

**A little stumble, a little fall  
Inconsequential nothing at All  
Now there was someone I heard him say  
That the best laid plans sometimes go astray  
So don't be surprised if I offer you no alibis**

**Everybody gets a second chance  
Circumstance to say I'm sorry  
I'd like to tell you in advance  
I'll take my chance and tell you I  
Take my chance and tell you  
I love you**

**(Interlude)**

**Everybody gets a second chance  
Circumstance to say I'm sorry  
I'd like to tell you in advance  
Take my chance and tell you I'm sorry**
