(P. Philipzen) C. Hormes Länge: 3:03

## 1. Strophe gesummt

**Much time to move it, much time to celebrate the night.  
You won't forget it, the dark comes and we say goodbye**

**Much time to move it, much time to celebrate the night  
You won't forget it, the dark comes and we say goodbye**

**Once in your lifetime, you have the presence  
To break out of gloomy rooms  
You take the strong line, you find a new sense  
We will know and realize**

**Much time to move it, much time to celebrate the night  
You won't forget it, the dark comes and we say goodbye**

**People are singing, hands keep on clapping  
I'm in the mood to celebrate  
Who wants to listen, who wants to join in  
We will know and realize**

**Much time to move it, much time to celebrate the night  
You won't forget it, the dark comes and we say goodbye**

**Much time to move it, much time to celebrate the night  
You won't forget it, the dark comes and we say goodbye**

**Na na na na na, Na na na na na na na na  
Na na na na na, Na na na na na na na na**

**Na na na na na ... (Fade out)**
