

# **THE HEART'S CRY**

(B. Whelan)

Shawnee Press Inc.

Länge: 2:20

**Where the river foams and surges to the sea  
Silver figures rise to find me  
Wise and as daring  
Following the heart's cry  
I am that deep pool  
I am that dark spring  
Warm with a mystery  
I may reveal to you  
In time  
Key to everything is Love  
Flowers into a deep desire  
Passion and desire**

**See the eagle rise above the open plain  
Golden in the morning air  
Weaving and soaring  
Watchful and protecting  
I am your shelter  
I will enfold you  
Warm with a mystery  
I may reveal to you  
In time  
Key to everything is Love  
Flowers into a deep desire  
Passion and desire**
